

You can fly short, medium or long hauls. Or Swissair.

Swissair currently serves 111 destinations in 70 countries all over the world. In other words, we go out of our way to satisfy our passengers. Particularly if they consider a short stopover in Switzerland to be a big asset. And that's justified, because Zürich and Geneva are among the world's most efficient and pleasant airports, featuring some of the fastest connections, shortest distances, most comfortable lounges and most attractive shopping opportunities around. The long and the short of flying Swissair is a smoother trip all the way. For information and reservations, contact your travel agent or Swissair, 1-800-267-9477.
