

The Best of Both Worlds

Products that deliver more. With the most comprehensive set of powerful and easy-to-use features on the market, the new Corel® WordPerfect® office suites help you effortlessly create polished, error-free work. Scores of glowing reviews from prestigious publications are quickly establishing Corel® WordPerfect® Suite for Windows® 3.1x and Corel® WordPerfect® Suite 7 for Windows® 95 as the new software standards for offices around the globe. With best-of-breed applications and value-added features for the novice and expert alike, Corel's new office suites offer the software solutions you've been looking for!

Corel® WordPerfect® Suite for Windows® 3.1x

Corel WordPerfect Suite for Windows 3.1x lets you create error-free documents, spreadsheets, presentations and more in less time with professional-looking results.

Write Smarter.

In the past, word processors merely formatted text, but Corel WordPerfect actually understands words within their context—helping you write smarter. It's the world's best word processor.

In fact, *PC Magazine* chose WordPerfect 6.1 for Windows 3.1x over Microsoft® Word for Windows 95 for Editor's Choice in 1995.

Finish Faster.

Powerful tools including DAD™, the Desktop Application Director; QuickTasks™ that automate the tasks you do most often and the Document Experts make Corel WordPerfect Suite the best choice for the Windows 3.1x environment.

Look Better.

Tools such as the exclusive Make it Fit™ Expert that can shrink or expand a document to a specified number of pages, SpeedFormat and the Table Expert help you create polished work quickly and easily.

- 150 fonts
- 10,000 clipart images

Corel® WordPerfect® Suite 7 for Windows® 95

Corel WordPerfect Suite 7 for Windows 95 is the only office suite solution with full 32-bit applications plus completely integrated Internet connectivity. In the March 18, 1996 issue of *InfoWorld*, Howard Millman wrote that Corel had succeeded in *eliminating and surpassing the Microsoft® Office feature gap*. And his conclusion? "Now it's Microsoft's turn to play catch-up."

Finish Faster with Less Effort.

With enhanced automation tools and consistency across core applications, Corel WordPerfect Suite 7 helps you become ultra-productive—automatically.

Make the Most of Windows® 95.

Corel WordPerfect Suite 7 does much more than just run on Windows 95. It optimizes the benefits of the Windows 95 environment with unprecedented results.

"... the package integrates with Windows 95 better than Microsoft Office does, and it offers more Internet-readiness than Lotus SmartSuite or Office." *PC Magazine*, July 1996

Put the Internet to Work for You.

The explosive growth of the Internet presents a wealth of opportunities. Corel WordPerfect Suite 7 provides you with the tools you need to capitalize on these opportunities by allowing easy Internet connectivity to effectively find and analyze data and even publish your own information to the World Wide Web.

Corel WordPerfect Suite for Windows 3.1x and Corel WordPerfect Suite 7 for Windows 95 offer unbeatable solutions for any individual or corporate user. They give customers the most feature-rich set of applications and utilities available on today's office suite market!
