

UCPBF EASTERN REGIONAL CONFERENCE GETTING IT TOGETHER

The Ottawa Ukrainian Canadian Professional and Business Association will be hosting the 1994 UCPBF Eastern Conference in Ottawa on June 10-12. The program highlights the new UCPBF focus on Ukraine.

Friday evening, the participants will attend a special reception hosted by His Excellency Victor Batyuk at the Embassy of Ukraine. Saturday will start off with an early bird meeting for UCPB directors and UCPBA presidents. A **Linkages** session will enable reps of some 20 national, regional, professional, business, special interest, Canadian-Ukrainian and American-Ukrainian organizations to describe plans and activities, and identify areas of potential co-operation and further action. A special UCPBF session will address questions of National Standards, Communications and Organizational Development. At the luncheon, Andrew Witer, former Conservative MP, will provide an analysis of the recent Parliamentary election results in Ukraine. The dinner reception will feature Supreme Court Justice John Sopinka as keynote speaker.

Sunday will include a panel entitled **Canada's Relations with Ukraine**, focusing on commercial trade, technical assistance and humanitarian aid to Ukraine. Panelists will bring together a wealth of expertise: senior officials from the Department of Foreign Affairs (Kevin O'Shea, Al Smith, Melvin MacDonald), Bohdan Onyschuk (Canada-Ukraine Chamber of Commerce), Dr. Roman Petryshyn (Taras Shevchenko Foundation), Dr. Jaroslav Shudrak (Children of Chornobyl Canada Fund).
