## CANADA-UKRAINE MONITOR

#### A RESOURCE FOR THOSE DOING BUSINESS WITH UKRAINE THE GIFT THAT KEEPS ON GIVING!

"Know the market!", "Know your customer!" -- self-evident truisms in business. But knowledge about current conditions is not enough. Analysis of what is happening today must take into account the historical, demographic and sociological background behind current developments. This is particularly true in a country that is potentially one of the most exciting and rewarding trade areas in Eastern Europe -- Ukraine. One of the biggest countries in Europe, with a population of 52 million, industrial resources and skilled labour force -- an economic region that cannot be ignored.

THE GAP FOR EASILY-ACCESSIBLE AND RELIABLE BACKGROUND INFORMATION IN ENGLISH ON UKRAINE HAS NOW BEEN FILLED WITH THE PUBLICATION OF THE FIVE-VOLUME **ENCYCLOPEDIA OF UKRAINE**.
